

# AMERICAN COUNCIL OF ACADEMIC PHYSICAL THERAPY

## **Motion AC-3-20**

1 **TITLE:** Opposition to direct monetary payment for clinical education experiences

2

3 **MOTION:**

4 The American Council of Academic Physical Therapy opposes direct monetary payment for the provision  
5 of clinical education experiences in entry-level physical therapist education. Monetary payment  
6 includes any form of currency (e.g. cash, check, direct deposit, gift card) given to a clinic site or clinical  
7 instructor based on negotiations prior to the clinical education experience. Monetary payment does not include  
8 costs associated with clinic site onboarding or payment provided for special projects, such as grant funded  
9 research or training grants.
